

2012 Report from IMCO to the ISAF Windsurfing & Kiteboarding Committee

Once again IMCO have focused their efforts on working with Anders Bringdal International Co. to ensure the Mistral One Design is readily available, with production to meet demand; servicing many groups of racers, national windsurfing associations and ISAF Member National Authorities.

Equipment details - <http://www.imco.org/page0340v01.htm>

Demand is particularly strong from the Asian windsurfing community, where the class is important in the development of the sport, and was used in major competitions, including the following Asian events:

MOD Asian Championships - Pattaya, Thailand

Full Report & Results - <http://www.imco.org/page0001v01news497.htm>

Champion – Oka Sulaksana (INA)

Asian Sailing Championships – Langkawi, Malaysia

Full Report & Results - <http://www.imco.org/page0001v01news498.htm>

Winners: Men- Ma Yik Kau (HKG) Women- Wang Shuija (CHN)

Future Plans

As in the past, MOD for men and women is also planned to be used in the 2014 Asian Games hosted by Korea.

In Europe, IMCO is working with MNA's to reintroduce MOD in national championships. France are considering MOD as division for both youth and senior nationals in 2013.
