

2015 Report from the Techno 293 Class to the ISAF Windsurfing & Kiteboarding Committee

The Techno 293 Class has enjoyed another great year of activity.

Membership The formal membership of the class has increased to 40 nations, representing all 6 continents. However, nearly 50 countries participated in the continental championships held by the class; some nations with active fleets did not participate (eg CHN & AUS) and in other countries the fleets are relatively recently established and the focus is not yet upon international competition. The class is therefore active in nearly 70 countries

Techno 293 Plus

There is an increase in the number of competitors in all divisions and many are opting to continue racing on the T293 beyond youth (u19) age group. Separate events are scheduled for 2016; and the plan is to apply for ISAF status in November 2016.

2018 Youth Olympics

It is hoped that Techno 293 or Techno 293 Plus is equipment selected for the 2018 Youth Olympics in Buenos Aires.
