

RS:X CONVERTIBLE Showcase

Calling all RS:X Sailors

After racing it's time for a bit of fun. NeilPryde cordially invites you to participate in an exhibition and test event for the RS:X Convertible hosted by the Coconut Grove Sailing Club.

This will be a fun event to present our latest innovation - the RS:X Convertible performance package, NeilPryde's wind foiling one-design class. We would love for you to try it and see what you can do with it. Marco Leconte, NeilPryde Brand Manager and Julien Bontemps, Beijing Olympics RS:X silver medalist will be on hand to assist you.

We're looking forward to seeing you in Miami.
